

Hurricane::DBo

```
classDiagram
    class HurricaneNet["Hurricane::Net"]
    class HurricaneEntity["Hurricane::Entity"]
    class HurricaneDBo["Hurricane::DBo"]
    HurricaneNet --|> HurricaneEntity
    HurricaneEntity --|> HurricaneDBo
```

The diagram illustrates a class hierarchy with three classes arranged vertically. At the bottom is a gray-shaded box labeled "Hurricane::Net". A blue arrow points upwards from this box to a white box labeled "Hurricane::Entity". Another blue arrow points upwards from the "Hurricane::Entity" box to the top white box labeled "Hurricane::DBo". All boxes have a black border.
